### **Annual Report of the District Grand Almoner – 2025**

Right Worshipful District Grand Master, Distinguished Brethren, and Brethren all.

During the year under review, the District has not received any requests from Lodges for financial or other forms of assistance.

Sadly, during the past year a number of our Brethren have been called to higher service. On each occasion, the condolences of the District were conveyed to the families concerned, together with an offer of assistance should it be required.

Additionally, several members have suffered the loss of loved ones. In all such cases, condolences were extended and offers of support made.

There have also been a number of Brethren hospitalised or undergoing long-term treatment at home. All have received the best wishes of the District.

This being my final report as District Grand Almoner, I wish to place on record my sincere thanks to the District Secretary, Lodge Secretaries, and Lodge Almoners for their continued support and for keeping me informed of members' circumstances.

Given the size of the District, encompassing mainland Spain and six islands, their assistance has been invaluable in enabling the effective discharge of my duties.

I wish my successor every happiness and fulfilment in the office of District Grand Almoner.

Mark Well!  
Sincerely and fraternally,

W.Bro. Bernard Smith  
District Grand Almoner
